

# SIERRA MADRE NEWS

VOLUME 34, No. 5

SIERRA MADRE, COUNTY OF LOS ANGELES, CALIFORNIA

FRIDAY, OCTOBER 20, 1939

FOR 34 YEARS  
this newspaper has been devoted to the welfare of Sierra Madre. It is home owned and has no other interest.

## City Starts Own Youth Movement

Dozen Civic Organizations Lay Groundwork For Important Undertaking

Genuine interest in the youth movement in Sierra Madre was shown by representatives of more than a dozen organizations at a conference at the city hall Tuesday evening where a temporary organization was formed to carry on the project.

Clarence G. Huntsinger, chairman of youth activities committee of the Kiwanis club, was elected chairman of the organization, and B. C. McDonald, Los Angeles county probation officer and a resident of Sierra Madre, is secretary.

The more than forty persons who attended Tuesday's meeting pledged themselves to attend another gathering Monday evening, October 30, and to bring other members of their group interested in character building of the youth with them.

Consensus of the preliminary meeting was that while it may not be possible, now, to set up an elaborate and expensive plan, Sierra Madre has the essentials of a good beginning in coordinating youth activities at the grammar school, the city park and on the city's property near the pumping station. For the present it was pointed out the necessity is for ascertaining the interests of the young people and providing instruction and recreation along the indicated lines.

Mrs. B. L. Hinkley, secretary of the school board, insisted that the organization should not confine its inquiry into plans for a boys club, but that any youth organization should include girls, as well.

The conference was presided over by Mayor Schiltz, with full attendance of the school board and city council, and a representative or official head of every local organization.

## Doctor Added To Grammar School Staff

A school physician is the latest innovation at the grammar school. Dr. Mary Dale has been added to the staff in an effort to bring the school health to the highest possible standard. Dr. Dale, resident of Los Angeles, will supplement the services of the school nurse, Mrs. Wells, and will make monthly visits to the school to review health records of the pupils.

To date the health program at the school has been to check the health of 8th grade students in order to place them in the correct physical education classes. After examination, the students are classified for physical education and assigned to the proper divisions. Later the program will include pupils of all grades, making a general survey and systematic checkup of pupils.

Tuesday, Dr. Fontaine of the county health department, will be at the school to immunize children against diphtheria, and the following week, October 24, the pupils will be vaccinated for smallpox, a disease which is on the increase in some sections. This will be done as a precautionary measure, with consent of parents.

Dr. Dale will call at the school Friday, October 27, bringing with her an audiometer, to test the hearing of school children.

To aid underweight children and those who are below par in health mid-morning lunches of milk or wheat germ cereal are being served in the school cafeteria. Parents of this type of child received notification by letter that such lunches are needed and would be greatly beneficial.

## Chinese Consul To Speak At Bowl Of Rice Party Here

T. K. Chang, Chinese consul for Southern California, will speak at Sierra Madre's second annual Bowl of Rice party, Sunday evening, October 29, at Wistaria Vine Gardens. An interesting program of Chinese music has been prepared under the supervision of Gus Rihard, including songs adapted to American instruments, and selections on the Chinese violin by Luke Yuan, prominent Chinese musician.

Now on display in Rikeman's window is a painting of a little Chinese girl, soft-eyed and round cheeked, sitting at her bowl of rice, learning the use of her chop-sticks. "First Lesson" is the title of the picture, work of Tse Wing Kwong, better known as "Wing." Sierra Madre was one of 100 cities holding Bowl of Rice parties to receive a full-size reproduction made from the original water color, signed by the artist himself. First reproduction proof print to come from the press was sent to Madame Chiang Kai Shek in Chungking. This exquisite painting will become the property of some Sierra Madrean at the Bowl of Rice party.

## Ham & Eggs Scored By Kiwanians

Convention Brands Ballot Proposal As Destructive And Unworkable

What four Kiwanians just returned from the Kiwanis convention in Oakland last week didn't tell the local Kiwanis Club at its luncheon Tuesday about the convention, their trip north and to the Golden Gate exposition will be told in detail through motion pictures at subsequent meetings by Rudolph Hartman who took several cameras along and returned with miles of film. Side remarks and further details will be furnished by Dr. R. C. Simpson, club president; William L. Burr, president-elect, and Charles B. Klunk, who is a perennial convention delegate.

Most of their report at Tuesday's meeting consisted of an enthusiastic description of the Golden Gate exposition which they urged their fellow members to have not seen the great spectacle to hasten north to see before the gates close on October 29.

Most important action of the convention was adoption of a resolution vigorously condemning the so-called Ham and Eggs proposition that will be voted on in California on November 7, as unworkable and destructive, holding false hopes to the very people who would be most adversely affected by its operation in the operation in the event of its adoption.

The Kiwanis delegates were accompanied north by Sam Graham, who attended a Grand lodge convention of the Masonic order in San Francisco.

## Gentle Breezes Off The Coast Routing Summers Comeback

Gentle northwest breezes from the coast that began to waft over the mountains early Wednesday had given definite signs yesterday of routing the return of summer and predictions were for a return of normal autumn weather over the weekend—and hereafter, with only an occasional breath from the desert.

Mrs. H. B. Hersey, watching the Colonel's weather machines and measures during his stay at the Sawtelle hospital, discovered the quite interesting fact this week that the temperatures have been uniformly 12 degrees higher than on the corresponding days of last year. Temperatures for the week were:

Date	Max	Min.
October 14	92	70
October 15	90	68
October 16	89	68
October 17	87	66
October 18	84	60
October 19	75	60

Precipitation to date, 7.17; last year to this date, .31.

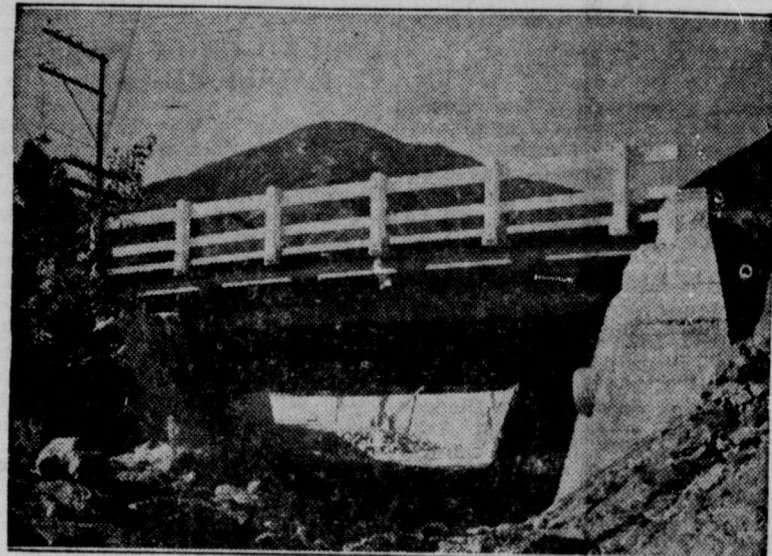

## Sierra Madre Ranks High In Red Cross Enrollment

Plans and objectives for the American Red Cross Roll Call will be discussed at the annual regional convention of the American Red Cross to be held at the Mission Inn, Riverside, Saturday, October 28. Five Sierra Madreans will represent the local chapter. Mrs. Helez Lovejoy has been appointed field chairman in charge of house-to-house canvassing for Sierra Madre's Roll Call from Armistice Day until November 30. Last year Sierra Madre made third place in the list of Los Angeles county chapters in percentage of membership enrollment to population. The city's percentage of 17.5 was topped by Claremont in first place, with 22.4 per cent and Palos Verdes, with 22.3 per cent.

## MISS SNAPS RIBBON---OPENS NEW BRIDGE

Pictured left to right are City Treasurer Carlton J. Pegler; J. H. Hamilton, W.P.A. Engineer; Councilman John Froelich; Assemblyman T. Fenton Knight; Councilman Thomas Miller; Councilman Thomas Schwartz; Miss Mary Rita Schiltz; Councilman Paul Carter; and Mayor W. J. Schiltz.

## RESTORES COMMUNICATION

Mayor W. J. Schiltz and Assemblyman T. Fenton Knight were the first persons to drive across the new East Grand View avenue bridge when it was formally opened to traffic Saturday afternoon with a ceremony that ended when Mary Rita Schiltz, the mayor's daughter, cut a red ribbon.

A generous turnout of the townsfolk was present for the brief simple ceremony in which Mayor Schiltz accepted the bridge on behalf of the citizens from the Federal Works Progress Administration and the California Department of Public Works. J. H. Hamilton, engineer, representing the WPA in the absence of Herbert C. Legg, administrator, who was called to Sacramento. Assemblyman Knight, who secured the state's appropriation for materials used in the bridge construction, brought greetings from the state and congratulated the assembled citizens on their interest in the community's development.

Councilman Paul Carter warmly praised Mr. Knight's efforts in the city's behalf and the fine cooperation of the WPA and the Los Angeles flood control officials and County Road Engineer Jones. Councilman Tom Schwartz was delegated by Mayor Schiltz to formally christen the bridge by breaking a bottle of champagne on its northerly rim.

Formal opening of the structure reestablished traffic between the easterly and westerly sections of the city near its northern boundary for the first time since the flood and storm of March, 1938, which took the shaky old wooden bridge out.

## City Reaches New Voting Strength

Registration For November Election In Step With Town's Growth

More Sierra Madreans are qualified to participate in the important November 7 election than at any other time in the city's history. In step with the city's steady growth, a new high registration record was established during September. When Registrar of Voters Kerr called in the books, deputy registrars here certified 2,758 persons eligible to vote—an increase of 117 over those qualified for the election of November 8, a year ago.

Registrar Kerr, veteran observer and keen analyst of registration and election figures, believes the percentage of registered voters exercising the coveted privilege of most real American citizens, will be considerably higher at this coming than at most either National, state-wide or local elections. The percentage has often dropped to as low as 60. He expects an 80 per cent turnout at the polls this time.

It is expected that almost 100 per cent of the registrants who have any faith in representations of the A. L. Evans and other promoters of the "Ham 'n Eggs" proposition will register their votes—and early. A very large percentage of the electorate is greatly alarmed at the fate of California if the proposition should be successful. It is because of this interest a record vote is anticipated.

The number of registered voters in Sierra Madre increases for each election, jumping from 2,418 in 1936 to 2,641 in 1938. A breakdown of registration by parties was not available at the county registrar's office. Exactly 1,514,833 voters are registered in the county. It represents a final tabulation of 840,919 in the city of Los Angeles, and 673,914 in county territory outside Los Angeles city limits.

The total registration almost equals the 1,516,098 voters registered a year ago for the November gubernatorial election.

## Hospital Reports Robertson Fine After Operation

Word was received from St. Luke's hospital last night that John H. Robertson, of North Adams street, had come satisfactorily through an operation for a long standing ailment which recently reached an acute stage. The operation was performed shortly after 5 o'clock, Mr. Robertson having been removed from his home Wednesday evening, on advice of Dr. M. H. A. Peterson, who expects Mr. Robertson will be able to return to his home in about two weeks.

## Parents Get New Ideas At PTA Meet

Modern Teaching Said To Get Away From Old Time Three-R Formula

Concluding the most successful membership drive of the local Parent Teacher Association, announcement was made at the first fall meeting of the organization yesterday afternoon in the grammar school auditorium that 276 parents and teachers are members—including 49 men. Great enthusiasm on the part of teachers and children were responsible for the record, Mrs. L. W. Jenkins, membership chairman, reported.

Mr. Larson's 8th grade room won the membership contest, seconded by Miss Snyder's room. Mrs. Ross Marshall, president, introduced Gerald Smith, school superintendent, to the audience. In turn Mr. Smith presented his teaching staff, Mrs. B. L. Hinkley, board secretary, and Mrs. Smith.

Resolutions adopted requested owners of the soon-to-be constructed moving picture theatre here to provide conditions best suited for the welfare of children and Mrs. W. R. Smythe, program chairman, announced the theme for the 1939-40 program as "enriched living through self realization, satisfactory home relationships, civic responsibility and economic efficiency."

Self realization by means of character enfoldment through the fine arts was explained by Mrs. Frances McClure of Pasadena.

A child should be a promise, not a problem, Mrs. McClure said, and when children are given a cultural background they may be taught character impersonally. Through the ages the three R's have been stressed, she said, "when, if sincerity, honesty, courage and truthfulness had been taught, we would be far on the way to peace by this time."

"If a child is honest, obedient and truthful, the other arts will follow," she said.

Tea and a social hour followed.

## Eber Thomas Family Quits Farm; Returns To Make Home Here

After a year of farming near Grants Pass, Ore., Mr. and Mrs. Eber Thomas and family have returned to Sierra Madre to reestablish their home and business here. Oregon is a grand state and farming is an interesting experience, according to the Thomases, but life there possesses fewer advantages, hence the return to Sierra Madre.

Before leaving Oregon they sold their farm property, but have retained their forest acreage and cabin for future vacations. Mr. Thomas will open his business office for electrical contracting at 12 North Baldwin. For the present the family is at home to their many friends at 20 South Baldwin.

## Firemen's Christmas Party To Be Held On December 16

With Christmas just around the corner, Sierra Madre firemen have set the date for their 19th annual dance to raise funds for food baskets for needy families and a Christmas party in the city park. The dance will be held Saturday evening, December 16, at the Woman's clubhouse, and firemen have set the date far enough ahead so that everyone will be able to keep it.

And—right now is the time to bring unused or broken toys to the city hall, Fire Chief W. D. Richards said. They will be repaired, painted and fixed to work like new. If you have only a few, bring them in yourself. If you have too many to carry comfortably, telephone the city hall and some way will be found to call for them. "The important thing is to get them to the city hall at once, so they may be gone over to bring happiness to some child on Christmas day," Chief Richards added.

## J H Robertson In Important New Post

John H. Robertson of this city has resigned his position as reconstruction supervisor for the Southern California division of the Home Owners Loan Corporation, to accept a position as appraisal and reconditioning supervisor for the Associated Contract Brokers Corporation, a Southern California real estate organization operating throughout the Southland and comprising 18 pioneer realty companies, of which Lewis W. Hunt, former division manager of the HOLC, is president and general manager.

Mr. Robertson, during over six years with the corporation, has had direct supervision of every dollar spent for repairs and reconditioning in the 11 counties comprising this division, passing on over 17,200 contracts, aggregating over \$3,300,000. A large amount of this money was expended in pioneering the complete reconditioning and modernizing of homes acquired by the corporation. The success of this program, by recapturing values lost by depreciation and obsolescence, was so pronounced as to merit nationwide commendation.

An outstanding feature of Mr. Robertson's work was the fact that no liens or law suits were filed, and it was not necessary to resort to arbitration in a single case.

Mr. Robertson's work was the fact that no liens or law suits were filed, and it was not necessary to resort to arbitration in a single case.

## Mayor Proves He's Still A Good Man On Bowling Alleys

Mayor W. J. Schiltz proved that even if he is 60 pounds heavier and 30 years older than when he made near-perfect scores in bowling, he is still a good man in the alleys. He had told friends on the city council that in his day he made scores that almost reached the 300 point—highest score. Doubting his expertise they inveigled him into a game Tuesday evening with "Pop" Froelich, Waverly E. Pratt, Tom Schwartz and John P. Schaefer.

The mayor bowled about five games and did all right. He didn't know what the score was—didn't care—but he played longer than some of the younger men, and it had been 30 years since he lifted a ball.

One of the councilmen was afraid his honor wouldn't be able to lay a straight line the next day, but outside of being a little stiff, he had no ill effects—and wants to go again. "It's a good game and there should be enough people in Sierra Madre who like to bowl to form some teams," he added.

Incidentally Councilman Froelich gave a real exhibition and walked off with all the honors.

## City Gets Cut Of 11 Cents In PE Fare

Company Proposes New Schedule Be Made Effective Immediately

A reduction of 11 cents in round trip fares from Sierra Madre to Los Angeles is included in the reorganization program the Pacific Electric Railway Company submitted Wednesday to the California Railroad Commission. Calling for an expenditure in excess of \$5,000,000, the program brings to practical termination a series of hearings covering a period of two years, with the P.E. filing applications to abandon and remove certain rail lines, to discontinue passenger service on certain lines and to modify passenger services on certain rail lines; also to establish certain motor coach lines, reroute, rearrange and extend certain other motor coach lines.

In his statement to the commission, O. A. Smith, president of the company, asked that new fare structures be adopted immediately, and Commissioner Ray L. Riley indicated that new fares may be authorized in the immediate future.

Proposed fares are established on a mileage and zone basis. While the present one-way fare between Sierra Madre and Los Angeles is 38 cents, the proposed fare would be 30 cents; and the round-trip fare would be 55 cents, 11 cents less than the present round trip fare.

Regular Sierra Madre commuters to Los Angeles will receive a reduction in 10-ride and 30-ride tickets which will be issued instead of weekly, monthly and 60-ride commutation tickets. Ten ride tickets will be \$2.25 under the new rate recommended by the engineers, and 30 ride tickets will be \$5.85. The rate per ride of 10-ride tickets will be 25¢ and 19¢ per ride for the 30-ride ticket. This is a reduction of about 12 per cent under the one-way fare.

Abandonment of existing wooden body cars as quickly as service changes can be made, immediate remodeling and speeding up of the smaller cars and the purchase of new streamlined coaches and cars ranging in price from \$10,000 to \$35,000 each, were among the items urged by Smith in the company's application. The new cars will be low, easy-running and virtually the last word in streamlining and comfort. Estimated cost of the new equipment is more than \$4,000,000.

## Five Black Widow Spiders Attack Caltech Coach

Bites from five black-widow spiders dislodged while he was trimming a hedge at his home, 515 Main street, Monday morning, did not affect J. L. Stanton, Caltech's veteran football coach, until yesterday morning when he was ordered to bed by his physician. The bites caused him much discomfort and made him "dizzy" but the same day, after spending an hour at St. Luke's Hospital, got up and hiked to the practice field to drill his football squad. Wednesday, he felt effects of the spiders' poison, and his physician decreed bed, probably for a week.

## Masqueraders Will Make Merry At Hillbilly Party

Free dancing and entertainment will be offered at the Hillbilly Halloween carnival of the Sierra Madre Arts Guild Saturday night, October 28, at the studio of A. J. Dewey on East Montecito avenue. A feature dance will be presented by Prof. Ivan Karloff, and Reene Crombez and the Robertson family, will appear in special numbers.

There will be games and fortune telling and prizes will be offered for unique costumes. The street will be roped off for concessions and amusements. An innovation will be a good dance floor for back yard dancing. Mrs. A. J. Dewey and Harold Roberts head the general committees on arrangements.

## Embargo Repeal Is Merriam's Idea; Tariff To Make Jobs

Former Governor Frank F. Merriam, a part-time resident of Sierra Madre, lined up with forces seeking the neutrality policy of President Roosevelt at a meeting of the Young Republicans in the Pasadena Athletic Club Wednesday evening.

"Personally, I would repeal the embargo. I believe in letting countries that want our goods come here and get them," he said.

"Instead of spending to bring prosperity, let the Republican party say, 'produce all you can'" he said, "we'll try to find a market for it."

## In a Social Way

### MANY OLD FRIENDS GREET MRS. KNEELAND

ANOTHER in a series of afternoon teas to which old friends are invited to renew acquaintance with her sister, Mrs. M. D. Kneeland who is visiting here, was given by Miss Marian Vannier Sunday afternoon at her home, 153 South Hermosa avenue. Among those present were Mrs. Herman Hall, Mrs. W. S. Bovard, Mrs. Gilbert Bovard, Miss Alice Tufts, Dr. and Mrs. Theodore Dunham Jr., Mrs. C. W. Bowen, Miss Ida Kirk, Miss Marjorie Winn, Miss Jeanette Shafer, Mrs. Alfred R. Page, Miss Elizabeth Page and their houseguests, Prof. and Mrs. Joseph W. Roe, of Connecticut; Dr. and Mrs. Charles Wayland, Mr. and Mrs. Webster Vannier, and from Pasadena Miss Carolyn Van Blarcom, Mrs. Hills, Miss Judd and Mrs. Woods.

### MISS BURROW HONORED BY ALTADENA FRIENDS

Mrs. William Schute, formerly of Sierra Madre, was hostess at her Altadena home last Friday at a linen shower honoring Miss Orline Burrow, who received many exquisite gifts. Sunday evening a party of friends accompanied Mr. and Mrs. Oskar Selling to the Southern Pacific station in Alhambra to see Miss Burrow off for Texas where at Fort Worth early in November she will be married to Samuel A. Woodward.

### MARY FRANCES BRAIN WED AT SIMPLE CEREMONY

Before a small group of relatives who gathered at the Church of Our Saviour in San Gabriel Sunday, Miss Mary Frances Brain, daughter of Mrs. Frances Brain, of this city, was married to William Ralph Fleming of San Gabriel. The ceremony was performed by Dr. John Atwill. Miss Brain was given in marriage by her brother, Lawrence Brain. She was attended by her sister-in-law,

Mrs. Lawrence Brain, as matron of honor. Mr. Fleming was attended by his brother, Leo Fleming. After the ceremony the party returned to the home of Mrs. Frances Brain here for a wedding reception which was attended by Messrs. and Mrs. Roy Swanson, Leo Fleming, Frank Evans, Ivan Cameron, Russell Fitch, Lawrence Brain, and Frank Fleming, father of the bridegroom. Mr. and Mrs. Fleming left immediately for a trip to San Francisco and along the Redwood Highway. On Sunday, October 29, they will hold open house for their many friends at their home, 61 East Highland avenue.

### NEIGHBORS HELP HEATHS CELEBRATE ANNIVERSARY

Mr. and Mrs. Fred Blackman, of Woodland drive, entertained with a delightful party Saturday evening in honor of Mr. and Mrs. L. H. Heath, who on that day celebrated their silver wedding anniversary. Galety of the evening began with a mock wedding, preceded by a solo sung by Carl Block. Refreshments were served as a gift of the group was made to Mrs. Heath.

Those present included Mrs. Martha Peters, Mrs. Mae Ostrom, Mrs. Mattie Cudahy, Miss Hamilton, Mrs. P. B. Linville, Mrs. Harry L. Roberts, Mr. and Mrs. Carl Block, Mr. and Mrs. Robert Hicks, Mr. and Mrs. Thomas Mylott, Mr. and Mrs. Eddie Funkhouser, Mr. and Mrs. Harry Robertson, Mr. and Mrs. William Ballu, Mr. and Mrs. William Cole and Mr. Harvey Harrington.

### GRANDMOTHERS ATTEND BIRTHDAY PARTY

A birthday dinner party, complementing their daughter, Mary Louise, was given Sunday evening by Mr. and Mrs. Lewis McClelland at their home, 503 Manzanita avenue. The affair was made additionally happy for the honoree

by the presence of both her grandmothers, Mrs. Clara Paner, of Yucaipa, and Mrs. A. R. McClelland of Pasadena.

### MEMBERS OF YOUNGER SET BID CAMERONS FAREWELL

Many of the younger set dropped in on Miss Audrey Cameron Sunday at the Cameron home, 354 North Canon avenue, to wish her a pleasant journey to her former home, New York City. The change of residence is a direct outcome of European hostilities, as J. D. Cameron who is a transportation executive, felt that it was imperative at this time to be in closer touch with the home office of his company. Mr. and Mrs. Cameron and Miss Audrey left Wednesday.

### DISCUSSION OF CURRENT EVENTS IS RESUMED

A large group of women from Sierra Madre, Rancho Santa Anita, Santa Anita Oaks and San Marino attended a luncheon Monday at the home of Mrs. Edmund Locke, 1220 Rancho Road, which opened the autumn series of current events, talks and book reviews by Mrs. Gladys Hatley Scopes, of Pasadena. Among the more important books discussed were "Stalin," by Boris Souvarine; "Escape," by Ethel Vance, and "The Revolution of Nihilism," by Herman Raushning. Assisting Mrs. Locke were Mrs. Carl E. Baker and Mrs. Wells. Among Sierra Madreans present were Mesmes Boyd E. Keith, Jack Paschall and James M. Donelan.

### ESCHERICH'S CELEBRATE 55TH ANNIVERSARY

An outdoor supper party at their hillside home at 794 Woodland drive celebrated the 55th wedding anniversary of Mr. and Mrs. H. Escherich, Sunday evening. Members of their family from many communities attended, all bringing charming gifts as well as delicious additions to the menu. Those present included Mr. and Mrs. W. H. George and two children of Altadena; Mr. and Mrs. Roland Escherich, and Mr. and Mrs. Carl Escherich, also of Altadena; Mr. and Mrs. R. F. Church and son, of Beverly Hills; Mr. and Mrs. William Hammond, Mrs. Martha Morris of Pasadena, Bruce Escherich and the honorees, Mr. and Mrs. Walter Escherich and family who are in San Francisco were unable to be present but sent special greetings.

### SOCIAL NOTES

Three family birthday anniversaries which fall on the same day were celebrated Sunday with a family dinner party at the home of Major and Mrs. P. B. Linville, 595 Alta Vista Drive. Honorees were Charles B. Linville, son of Mr. and Mrs. Linville; Mrs. L. McElfresh, sister of Mr. Linville, and her son-in-law, Gilbert Hollingworth.

Mr. and Mrs. W. E. McMillen, 44 West Canyon avenue, were dinner hosts at their home Sunday evening to Mr. and Mrs. Earl McMillen of Corona following an all day outing which they enjoyed together at Manhattan Beach.

Among twenty young friends who were guests of Miss Jane Anderson at a buffet supper at her home, 695 West Orange Grove avenue Sunday evening, were the Mesmes Carolyn Morrow and Mary Alice Harkness of this city. Others in the group were school friends from Pasadena.

Mr. and Mrs. D. B. Christie, of 297 West Sierra Madre blvd., spent Sunday in Los Angeles at the home of their daughter, Mrs. Hazel Ives, where a family dinner party celebrated the sixth birthday of their granddaughter, Nannette Ives.

Mr. and Mrs. George Coombe, of Los Angeles, were entertained at dinner Sunday by Mr. and Mrs. Henry W. Coit, 270 Grove street.

An informal tea was enjoyed Friday by a small group of Sierra Madre women at the home of Mrs. E. P. Cox, 169 East Laurel avenue, who was hostess to Mrs. Alice Reed, Miss Elizabeth Bates and Mrs. Rambeau.

Mr. and Mrs. R. C. Prentiss and Mr. and Mrs. John Bernhardt and son Bruce, of Trona, were Sunday dinner guests of Mr. and Mrs. P. E. Ware, of 270 West Sierra Madre blvd.

Mr. and Mrs. W. P. Caley were dinner hosts Sunday to Mrs. May-

### Surprise Program At Young Folks Dance Tonight

A short and informal surprise program is promised for tonight at the regular bi-monthly dance of the younger set at the Woman's clubhouse. Special announcement was made this week by Mrs. Ruana Lawson, who conducts the hour of instruction from 7 until 8, that there is still room in the class for additional students and that those who have hesitated to enter because of the feeling that the instruction would be too far advanced, need no longer do so as she will give special attention to newcomers. The usual procedure of the evening will be followed with several club women present as hostesses.

### Hometown Authors To Top Program Of Writers Guild

Lee Shippey, Sierra Madre's author and columnist, will preside at the noon luncheon at the California Writers Guild eighth annual fall conference to be held Saturday, October 28, in Pasadena. Miss Elizabeth Page, also a Sierra Madre author, will address the writers, and James Hilton, author of "Goodbye, Mr. Chips," will be honor guest. Writers from throughout the state will attend.

### Carmen Rehearsals Twice A Week

Future rehearsals of the chorus for Carmen will be conducted by Miss Hazel James Ferguson, each Monday and Wednesday evening at 7:30 p.m. at the Woman's clubhouse, with Robert Ingram as permanent accompanist.

### DAUGHTER IS BORN TO THE EARL JONES

A daughter weighing five and a half pounds, who will be christened Mary Louise, was born to Mrs. Earl Jones, at the Pioneer Hospital in Hollywood at 7:30 a.m. Sunday. Mr. Jones is the son of Mrs. Elizabeth Jones, former owner of the Sierra Madre Dairy. Until recently he and Mrs. Jones made their home here, but are now residents of Bell.

### ALTAR SOCIETY PLANS SUPPER AND DANCE

A pot luck supper for all members of St. Rita's parish, is being arranged by the women of St. Rita's Altar Society for Saturday evening, October 28. Dancing will be the order of the evening following supper. Miss Ruth Kelleher heads the committee on arrangements.

### MISS ADAMS RETURNS AS WINTER VISITOR

Miss Marjorie Adams who has spent the last several winters here arrived Sunday from Fergus Falls, Minn., and is at home to her many friends at 801 North Auburn avenue.

belle Barker and her houseguest, Mrs. Jack Ross, of San Pedro. Members of the Canyon Thimble Club will meet this afternoon at the home of Mrs. Martha Peters on Oakdale drive.

—Margaret Ellison.

### Sunnyside Mums Gardens

3018 Huntington Drive Just off San Gabriel Blvd. SAN GABRIEL, CALIF.

### Heating Appliances Need Inspection Says Health Head

Have your house heating appliances inspected and adjusted before cold weather sets in.

This is the advice given yesterday by Dr. J. L. Pomeroy, county health officer, who points out that considerable illness and a number of fatalities result each fall from the use of heating appliances which have not been in use for some time and which have been put back into service without an inspection by some one competent to adjust them.

"Trouble from this source arises from using old or improperly adjusted heaters in closed rooms where harmful products of incomplete combustion may accumulate," Dr. Pomeroy declares.

Justin M. Kennedy, local manager of Southern Counties Gas company, says his company maintains a corps of service men trained especially for this work and ready on request to adjust gas appliances free of charge.

### MASONS WILL CONFER DEGREE ON TUESDAY

Tuesday evening, October 24th, the second degree of Masonry will be conferred upon a candidate at the local Masonic Temple, 33 East Sierra Madre blvd. Ceremonies will begin at 7:30. Following the ritual refreshments will be served and all Masons are most cordially invited.

### SPOILED CHILD NEXT AT PADUA HILLS

"Angelita," a gay comedy telling the story of a devilish little angel, will follow "De la Obsecridad," drama of Central Mexico, as the new production of the Mexican Players at the Padua Hills theatre, with a gala opening on Wednesday, October 25.

Mrs. Jean Young and daughter Priscilla, of Long Beach, spent the weekend with Mrs. Young's parents, Mr. and Mrs. H. E. Gabriel, of 145 East Alegria avenue.

### YOU MUST HELP PAY FOR THIS

Federal, state and private forest lands in California suffered the most disastrous season in 15 years with forest and valley fires totaling 6850 since January 1. The number of fires from human causes was 5175, or 75 per cent of the total; the remainder were caused by lightning. Federal Forester S. B. Shaw has just reported a burned area of 600,000 acres. The cost to taxpayer for fire fighting and forest protection to date is figured at \$1,500,000.

Forest fire damage to the State runs into millions as a direct cost to the tourist business or the effect on lumber production, livestock grazing and possible flood damage to communities whose watersheds have been burned.

## Grammar School Notes

In Mrs. Leonard's 2B class the boys have been making market trucks, and the girls have been making fruits, vegetables and other things to go in them.

The 4A class, under Mrs. Adams, is studying missions. Mrs. Adams has shown the class rocks collected from missions she has visited.

Miss Newton's 4B class made its first trip to the library last Wednesday afternoon, and each child left with a book. They expect to go every two weeks. Each child has been provided with a library card and are encouraged to go also between class v.s.t.s if possible, to renew books or get new ones. Donald Somers has been elected secretary-treasurer of the class.

Members of Miss Moote's 5B class enjoyed a humorous pantomime Tuesday called "Columbus Discovers America." Billy Jo was Columbus, Alfred Valera was King Ferdinand, and Velma Pickett was Queen Isabella. Others were Indians and sailors. Janet Johnstone read the story as the others acted it out. The class

officers are Carolyn Brooks, president; Walter Richter, vice-president; Jerry Brawn, Secretary, and Donald McBennett, class representative.

We are getting along nicely in Mrs. Mackenzie's sewing class, and some of the girls show much interest in it. Most of us are already through with out samplers and have started on shorts. — Margaret Richter.

The 6A and 7B music class has music every day for half an hour. It is the most enjoyable period of the school day. We are learning the notes of some songs that are going to be very pretty when we learn them. — Imogene.

Girls of the 7B and 6A have had a large variety of games in the past few days. The hot weather has prevented many active games but we have enjoyed caption ball, volley ball, and many other games. — Adelaide Roach.

Miss Sydnor's class and Mr. Larsen's class have a volleyball team. On Mr. Larsen's team is Donald Fairbanks, Norman Munzlinger, Chester Cohen, Robert Buchanan, Stanley Levine, Richard Jenkins. On Miss Sydnor's team

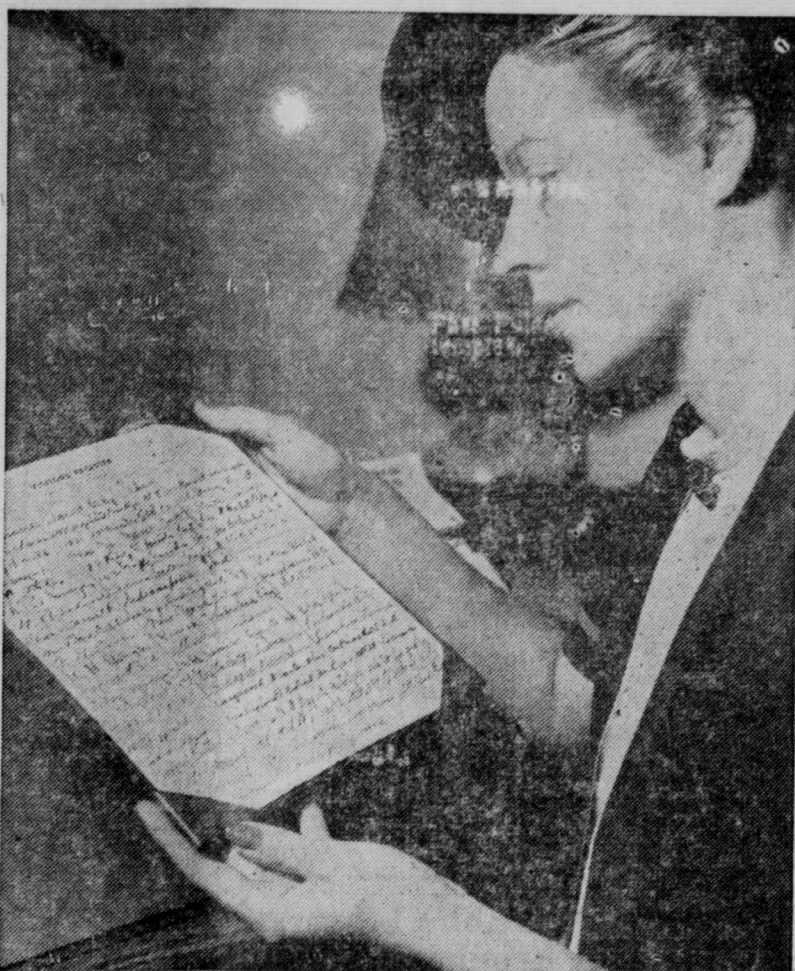

is Bill Dawson, Willie Simmons, Harland Eubanks, Lloyd Burns, Allen McLeod, Allen Rhodes and Fred Richter. — Lloyd Burns.

Boys in the eighth grade are playing volleyball this week. Miss Sydnor's class is having the best luck so far. Six boys are allowed to go over to the newly resurfaced tennis courts and they play doubles. — Sidney Brock.

Mr. McElfresh's 7th grade class has been discussing two projects — an information booth and a lost and found department organized and administered by the class members as a school service project.

Rowena Shipway was elected food committee chairman and Jack Williams and Jean Davis chosen to be on the food committee. Faigela Rosen was elected chairman of the game committee with Don Anderson and Sylvia Shippey as helpers. The 7A-B class has aroused a great deal of interest. Each member will wear a costume. It is the desire of the class that the party be held in the evening. Joseph Cox was chosen by the class to be in charge of the information booth, with Wallace Carroll as helper. The term of a class office is to be six weeks and no one may be re-elected more than once.

## She Plays Hostess to Entire World

Annually Southern California's Hospitality Center and Visitors Bureau in downtown Los Angeles gives vacation help to visitors from 534 foreign cities and 62 foreign nations. In one two-hour period All-Year Club Welcomette Marian Burke met vacationists from four nations and nine American states, as this guest register she is scanning. Registered are visitors from Sweden; London, England; Cumberland, England; Canada and The Hague, Holland. American states listed include Iowa, New York, Pennsylvania, Indiana, Kentucky, Ohio, Michigan, Colorado and Wisconsin.

## City Represented At Democratic Women's Meeting

Mrs. Grace Caukin returned Sunday from Salt Lake City where she attended a conference of the woman's division of the Democratic National Committee as one of three representatives from Southern California, where she was one of the speakers at the round-table on public speaking, and gave the radio report for Southern California. More than a thousand prominent women of the Democratic party attended.

Monday Mrs. Caukin and Mrs. W. J. Lawless attended the all-day session of the Institute of Government at the Ambassador Hotel.

## EASTERN STAR PLANS INTERESTING DAY

The social club of the Eastern Star will hold its meeting Monday, October 23, at 2 p.m. at the Masonic Temple. A family-style baked bean supper will be served by Mrs. W. G. Hopper, beginning at 6:30. The public is invited. An interesting social evening with games and other activities has been planned for the evening.

## TRY BROILED SANDWICHES!

WHEN guests drop in unexpectedly with an ill-concealed hungry look, they can be greeted cheerfully when there's a loaf of bread, a piece of cheese and a modern gas range in the kitchen. Have you ever thought how easy it is to prepare hot broiled sandwiches while the coffee is brewing? The spacious broiler rack does the trick in no time, especially when it is the double-searing type illustrated.

Spread slices of bread with butter, then thin slices of cheese and add a dash of cayenne. Arrange on the rack in the preheated broiler and in a few minutes you'll have delicious open-faced sandwiches ready to serve.

Or, toast slices of bread on one side, butter the fresh side and top with slices of tomato (if you have them); cover these with slices of cheese and half slices of bacon. Broil until the cheese is melted and bacon is crisp.

If there's left-over baked ham in the refrigerator—you can make whole-meal sandwiches to serve. Butter uncooked side of toast, spread with mustard; place thin slices of ham on each piece of toast, adding a thin slice of cheese sprinkled with paprika. Broil until cheese is melted, then serve immediately.

## OBITUARY

### MISS RUBY MOULTON

Miss Ruby Moulton, of 341½ Auburn avenue, passed away at General Hospital October 15, after a short illness. She had lived in Sierra Madre for about seven years and was a faithful and helpful member of the Church of the Ascension. Born in the East, Miss Moulton took nurses training in a Seattle hospital, and often helped at the Episcopal Deaconesses' home in Boyle Heights, Los Angeles. Funeral services will be arranged today, upon arrival of a brother from the East.

Mrs. Arnold G. H. Bode expressed the sentiment of many Sierra Madreans in the following tribute:

"In the passing of Miss Ruby Moulton this little town has lost one who was known and loved by a great many people. Brave, courageous and unfailingly cheerful, she was an inspiration and an example to us all. Left to support herself at the age of 14, she was still working two weeks before her death, when she should have been in a hospital several months ago. She knew the joy of sharing and out of her slender purse she had helped financially many who were in need. Her Christmas parties, her gifts, her smiling face will long be remembered, but most of her kindness and service to others will remain unknown."

## With Sierra Madre Students At Wilson Jr. High

Martin Goldberg, representing the 8-2 grade, and Edwina Rhodes, representing 9-1, are among the conference reporters chosen to turn in accounts of class parties and activities, weekend trips, unusual hobbies and personal news to Wilsonian reporters. Wilsonian editors hope in this way the lower grades will be better represented in the school paper.

Semi-annual fall "open house" will be held Friday, October 27, at 7 o'clock. Parents may attend classes according to a 10-minute period schedule. A program will be presented and a PTA sponsored dance will be held in the gym, starting at 8 o'clock.

Betty Adams is the only Sierra Madre student on the Wilson cabinet which met for the first time October 11 to discuss activities of the school during the new semester. Betty is vice-president.

It is unsporting for drivers to speed—not only unfair to themselves, but their families and others using the highway; it isn't fair to pedestrians who depend upon driver-judgment.

## New Law To Correct An Old Abuse

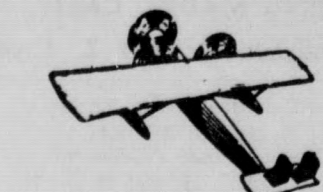

A new law which became effective September 19 is of prime importance to those who have lost their properties through tax delinquencies. The Act requires publications of three notices before tax-deeded properties may be sold and it is no longer possible to arrange virtually private sales of tax deeded properties at which the purchasers buy up these properties at virtually their own price.

Property owners who have lost property through tax delinquency will be adequately notified when it comes up for sale and may repurchase it if able to do so. It is expected to increase the revenue from such sales will be widely advertised and desirable properties will draw competitive bidding.

The morality of an action depends on the motive from which it is act.—Johnson.

## WHOSE FAULT?

There is nothing comforting in the statement of J. Edgar Hoover last week that over 19 per cent of all persons arrested this year have been under voting age. Addressing the International Association of Police Chiefs in San Francisco, the FBI director spoke plainly when he declared, "We cannot dodge the issue or argue that these facts result from youthful folly." Equally true is that strict law enforcement does not provide "a cure" for crime. Facing the nation's law enforcement officials is the task not only of apprehending criminals, but of discovering how criminals are made, how and why youths start "to go wrong." The fight against crime must seek the roots and sources of crime. Punishment is not enough. To the habitual criminal's way of thinking, crime still pays. In the two-fold job of preventing crime, as well as enforcing law, with the best weapons which scientific procedure and methods can provide, lies the surest means of curing the youthful folly that leads to disaster, and warped and broken lives.

## WORKING IN THE DARK

When the Huey Long political machine took over the affairs of New Orleans and the State of Louisiana it suspended the laws that required publicity of the public's financial and other affairs. No longer were the people officially informed of the amount of governmental receipts and expenditures concerning which the laws require that the public should be informed through public notices. The requirement that bids be advertised for public building projects and supplies was abrogated. Then the villainy began.

Working in the dark the machine leaders began plundering the treasury, resulting in the recent indictment of a lot of State and local officials, including a former governor. Among recent discoveries was the fact that a palatial yacht presented to former Governor Fred W. Leche at a great public ceremony as the supposed gift of his friends and loyal supporters, was really paid for out of funds of the State's conservation department. "Advances" of State funds for many equally illegal purposes have been disclosed, in addition to the monumental scandals in connection with the State university, which caused indictment of its officials.

In face of such experiences in

Louisiana and other states, there are officials anywhere in California who would repeal the laws requiring that the public be kept fully informed concerning its affairs and the official acts of its representatives. Those who would have it so are mostly guided by a selfish if not a sinister interest.

## BOYS CLUBS HERE

To the Editor of the

Sierra Madre News:

As far as is known the first boys' club to exist in Sierra Madre was Canterbury Castle, Knights of King Arthur, which I organized in January, 1908. At that time Sierra Madre had only about one-third its present population. It had two churches, not many outside amusements, but it did have as now, a townful of boys who wanted something to do.

At first Canterbury Castle had no regular home, its meetings being held from house to house. Its first presiding officer, bearing the title of King Arthur, was William Wright, a boy of 12 and he was every inch a king. Some of the other knights were Don Baxter, Ian Banatine, Gaylord and Leslie Burk, Arthur and Joseph Evans, Donald Graham, Norman Jensen, George Norris, Norman Olson, Hall Perry, Robert and Guy Steinberger, Ralph Emerson and Alvin, who has continuously resided here, was the youngest knight. All these boys were Americans except Ian Banatine who was an interesting lad from far away Scotland.

A few months later the management of this club was passed to Mrs. Jessica Wright, who was first president of the club. Under her able leadership Canterbury Castle grew and soon built its own small clubhouse on a vacant lot near where the present city hall is located.

During this same year another boys' club was formed in Sierra Madre calling itself the "Order of Scouts." This is not to be confused with the "Boys Scouts of America" which at that time was not in existence. These two clubs continued for a few years, serving the purpose for which they were created; and in turn were succeeded by other organizations.

EARLE B. POLLEY,  
117 Auburn Ave.

Oct. 17, 1939.

## UNTHINKABLE

To the Editor of the

Sierra Madre News:

A very large majority of those who with an open mind have taken the time and made the effort to study the 30-Thursday bill are agreed it cannot work. California banks cannot take warrants, wholesalers will not, members of the Retail Merchants Association therefore say they cannot, and it is obvious that others will not continue long for lack of lawful money.

The fact that this plan to support those unemployed over 50 will take more money than the total employed in the state earn, is only one of some half-dozen reasons which doom this scheme to bankruptcy. However, no matter what your personal feeling on this sort of relief is, the warrant plan sets up intentionally a smoke screen to cover one of the most serious situations California has ever faced.

As State Superintendent of Banks I feel it my duty to be on record in opposition to the plan as a whole and to particularly express the condemnation of myself and the State Banking Department to the following provisions, which, unfortunately, have not been highlighted but which we must face for four years if the measure passes.

This bill sets up a dictatorship in the hands of a few self-nomi-

## IT'S ABOUT TIME!

NEWS ITEM: Communists to be ousted from Government jobs.

## Late Books At Public Library Inspired By War And Economic Conditions

Chamberlain's "In Search of Peace," "Revolution of Nihilism," by Rauschnig, and Anthony Eden's "Foreign Affairs" are among the latest books in circulation at the Sierra Madre public library, together with Odum's "American Social Problems." All have attracted more than ordinary attention because of the situation in Europe, and prevailing economic conditions.

Other non-fiction volumes in the latest consignment of books received at the library are: "African Majesty," by Egerton; "Men, Mirrors and Stars," Pendroy; "County Lawyer," Hartridge; "You and Heredity," Scheinfeld; "Maine Summer," Mitchell; "An American Musician's Story," Stokowski; "Technique of Fictorial Photography," and "Let the Records Speak," by Dorothy Thompson, the world's leading woman commentator.

New fiction books are: "Arizona," Kelland; "Exit a Dictator," Oppenheim; "Charley Manning," Corbett; "Owney Inn," Lincoln; "Sondra O'Moore," Willoughby; "Root and the Flower," Bacon; "All the Tomorrows," Babson; "Priority," Whipple; "Hopkins Man," Fire; "Merrick," Frost; and "Household," "So Stands the Rock," Downes; "Watch for the Dawn," Cloutier.

There was a gain in the library's circulation during the month of 255 books, 4,418 having been borrowed. Fiction continued as a favorite, leading by almost two to one—53 per cent of the month's new fiction, and 28 per cent of the circulation was juvenile. Thirty-seven new borrowers were registered.

## BIG POLO TOURNAMENT AT RIVIERA SUNDAY

Tom "Red" Guy and his Up-lifters crew will collide with Riviera malletmen, captained by Big Boy Williams in the beginning of the Fall polo tournament Sunday afternoon at Riviera Country Club. The opening match of this big series should prove one of the best that has been seen in many months. Russ Havenstrite, and Carl Beal will provide Guy with some heavy artillery while the Riviera lads will have Spencer Tracy, screen star, and Tex Austin, as their mainstays.

A polo match will be staged at 2 o'clock before the main tournament game. Between games will be equestrian hurdlings contests.

## STATE PICNICS

Former residents of North Dakota and visitors here from that state will conclude a day of celebration on Thursday, November 2, with a banquet at the Chapman-Park Hotel, 615 South Alexandria avenue, Los Angeles. The day marks the golden anniversary of statehood. The banquet follows an all day picnic at Sycamore Grove Park, to which every North Dakotan, resident or visitor, is invited.

The annual West Virginia and McGuffey club picnic reunions will be held all day, Saturday, October 28, in Sycamore Grove Park. Each county in West Virginia will open a register.

## BOYD KEITH BRINGS HOME THE VENISON

The Boyd Keith family and their friends are enjoying venison steaks and roasts from a 200 pound buck shot by Mr. Keith Sunday afternoon. Mr. Keith went hunting in the lower part of the High Sierra over the weekend and returned in a short time with the large deer.

nated men who cannot be controlled or eliminated until 1944. It directs California to turn over immediately to them \$700,000 in cash. It authorizes them to organize a bank which it becomes mandatory for the State to use as sole depository. (State funds are now under the law deposited with banks and fully secured by high-class bonds and scrutinized by state and national bank examiners.) It requires the State to issue \$200,000,000 in bonds, the proceeds of which are to be turned over to them.

In short, if passed on November 7, this bill will turn over all State funds to a bank operating outside the State Banking laws, by men who are not responsible to any of our regular constituted authorities.

They cannot be impeached by the people, controlled by the State Banking Departments, the courts, the Legislature, or the Governor. It does, without question, create a dictatorship in California. It will produce chaos and is unthinkable.

E. W. WILSON,

Superintendent of Banks  
State of California.

A Missouri judge, Irish and by name of O'Malley, has come out with a legal slant on romance that has all the insight, wisdom and humor of a Shakespeare. Denying a petition for annulment by a lady who argued that her husband had "misrepresented" himself before marriage, Judge O'Malley opined: "Every marriage is based more or less on a fraud. A man always puts his best foot foremost when courting." Bravo, Judge! A man just can't keep on shaving on holidays, denying himself the comfort of coming to table in shirt sleeves in hot weather, and refraining from dropping cigar ashes on the rug—forever. Sure, there's fraud in every courtship—and on both sides. But it's the world's most forgivable fraud; it's one magnificent deception. That deception proves that he loves her—and vice versa!

President Ray Lyman of Stanford University says "the 30-Thursday proposal is that form of stupidity which can do more to destroy democracy than arrogance or corruption."

In regarding the schematized drawings of the human figure solely, women seem to select tall figures as being more likeable, intelligent and good looking than short ones. Men seem more inclined to see the same qualities in the broad, athletically inclined figure. However, women are somewhat inclined to overrate the womanly figure as a mark of intelligence. These findings were arrived at by tests made with 90 human subjects in the psychology department of the University of California. Professor Egon Brunswik, associate professor of psychology, was in charge of the tests. Professor Brunswik found that the men rate the woman's figure as more attractive than the women themselves rate it. Eyeglasses were found to increase the impression of intelligence for the subjects but to decrease the impression of energy and "good-lookingness."

In the production of each one million American automobiles, it is estimated that the agricultural products from half a million acres are used.

To insure its position as an exclusive residential community ranging with Flintridge and Beverly Hills, San Marino through its council, has committed itself to adoption of an ordinance requiring that all building lots shall contain not less than 12,000 square feet. Chief Engineer Fox of the Regional Planning Commission conducted a survey that included every parcel of land in the city and revealed that 50 per cent of the lots contained more than 15,000 square feet and 33 per cent contained over 25,000 square feet.

American business, earning only a fraction of its income of 10 years ago, is now paying nearly twice, as large a total of taxes.

If California is a state of great open spaces, consider Otoromanga, New Zealand, where a school teacher is also driver of the school bus and covers 280 miles a day to round up and then return his pupils to their homes.

How much gasoline is consumed by United States motorists in a single year? The answer is nearly 20 billion gallons, but such an astronomical figure means little to the average person, observes the Automobile Club of Southern California. If this amount had to be dispensed from a single modern pump capable of delivering 10 gallons a minute, it would require 3808 years, working 24 hours a day, to fill the need.

Officials of Teachers College, Columbia University, New York City, found recently that Communists were paying \$3.00 a day to professional agitators to pose as students in the University and "bore from within" American education.

Though the vanishing Indian has been rapidly taking on the white man's ways, one word he refuses to understand is "vanishing." The copper-skinned American, in fact, increasing in number at a greater pace than are his white brothers. Dr. James G. Townsend, medical director of the Indian Service, reports that Indian population in the United States is gaining at the rate of 8 per thousand compared to a rate of 5.8 per thousand in the white population.

Approximately 12 per cent of all licensed real estate brokers and salesmen in California are women, a recent survey by the State Real Estate Commissioner, reveals. Women are engaged in all branches of the business, from house renting to land subdividing, and in many instances have made an outstanding success of their work. The total number of women so engaged approximates 4000.

Of the 13,460 births in Los Angeles County Health Department territory during the past year, there were 200 pairs of twins and only one set of triplets, it was revealed in the health department annual report this week. Diseases of the heart are recorded as caus-

Interesting Spots  
Of The World Will  
Come To Pasadena

Theos Bernard, the only white lama—Buddhist priest—of Tibet, will appear as one of the six speakers on the eighth annual Globe-Trotter Series of the Pacific Geographic Society, at the Pasadena Civic Auditorium during this season.

Mr. Bernard, a native of Arizona, is the only white man ever to be admitted into the sanctums of the last theocracy on earth. He was permitted to take motion pictures within the lamaseries and of the regent, who will rule over the land until the infant Dhalai Lama, now three years old, comes of age. Mr. Bernard will show these motion pictures, which are in gorgeous color, when he appears on the Globe-Trotter program.

Among others in the series are Richard Finnie, F.R.G.S., with his exquisite motion picture on rural French Canada. Mr. Finnie opens the series in Pasadena, October 26th.

BIRTHDAY  
GREETINGS

THE NEWS extends birthday greetings and its best wishes this week to the following Sierra Madreans, whose birthdays are indicated . . .

Rob Murphy	Oct. 22
Nadine Noble	Oct. 23
Mrs. W. E. Craig	Oct. 24
John Osti	Oct. 24
W. A. Evans	Oct. 24
Moreland Kortkamp	Oct. 24
Roberta Shapiro	Oct. 25
Mrs. Gwendolyn Roe	Oct. 25
Margaret Fitch	Oct. 25
R. R. Hartman	Oct. 25
Sammy Embree	Oct. 26
Ben M. Lyon Jr.	Oct. 26
John Graham Jr.	Oct. 26
Emile Smith	Oct. 27

## ALMANAC

THE POCKETBOOK  
of KNOWLEDGE by TOPPS

ONE HUNDRED YEARS AGO THE AVERAGE AMERICAN HAD 50 WANTS AND CONSIDERED HIM TO BE IMPROVED. TODAY HE HAS ABOUT 500 SUPPLIED BY SCIENCE AND MANUFACTURING AND 94 ARE NECESSITIES.

25 YEARS AGO, THE BOY BRAH WAS ALMOST UNKNOWN, AND TODAY, DUE CHIEFLY TO INDUSTRIAL RESEARCH, IT'S \$700,000,000 BUCKS. ANNUAL CROP PROVIDES THE BASIS FOR \$9,000 JOBS.

NEVADA IN 1975 HAD A STATE LAW PROHIBITING GAMBLING FROM BURNING AT LARGE ON THE HIGHWAYS. (CARLS WERE USED AT THAT TIME FOR WORK IN THE DESERT.)

FARMERS, IN THE PAST, USED STILTS TO TEND AND HARVEST THEIR HOP CROPS... TO ENABLE THEM TO REACH THE TOP OF THE CLIMBING VINES THEY HAD TO WALKING ABOUT ON STILTS 10 FEET LONG.

DURING THE LAST 5 YEARS NEARLY ONE BILLION DOLLARS WAS SPENT BY THE LUMBER INDUSTRY—STILTS—FOR NEW EQUIPMENT AND CONSTRUCTION.

## LIBRARY NIGHT PROGRAM TO CENTER ABOUT MODEL OF FAMED SHIP--THE BOUNTY

At the second in a projected series of "Library Nights" at Wistaria Vine Gardens the guest of honor this coming Sunday evening will be the gifted Sierra Madre artist, Courtney L. Miles, of Marlborough Terrace. The event will have a unique literary as well as artistic appeal in that it will date the first public showing of a model just completed by

Mr. Miles, with the assistance of his talented wife, of the famous "Bounty"—she of "the Mutiny"—the ship that has probably been more written about than any other in the romantic history of the South Seas.

Mr. and Mrs. Miles came to reside in Sierra Madre from Redlands some five years ago. Four of these years have been given

over almost entirely to the making of this model, not only to the actual handicraft but to the equally insistent research. Much of this research has been carried on in our own library—for which a new building is now so badly needed—as well as in the libraries of Pasadena and Los Angeles. The manual execution, however, has been carried on exclusively in the local studio of Mr. and Mrs. Miles, high up under the trail leading to Mt. Wilson.

The model of the tragic South Sea transport, carried out with infinite fidelity on a scale of one-quarter inch to the foot, is a thing of beauty and a miracle of craftsmanship. The original was a ship-rigged vessel 94 feet long, armed with four 4-pound guns. In the model, a scant two feet in length, you see these guns reduced to scale but perfect—even to the sea-and-weather-pitted surface of them. Every rope and spar and sail is likewise there to perfection. Incidentally, it was Mrs. Miles who was the sailmaker of the enterprise. To make

these sails she used balloon cloth, hand sewn throughout with No. 200 thread.

Perfect also in every detail is the ship's launch, which lies amid-ship. It was in this launch that Captain Bligh and those who were faithful to him were cast away at sea by the mutineers and in which they later achieved their fabulous cruise of more than 6000 miles to the Dutch East Indies.

It was this cruise and other phases of the mutiny that inspired the Nordhoff and Hall trilogy of best-sellers—the story of the mutiny itself, then that of the mutineers and the establishment of their queer colony on Pitcairn Island where descendants of the mutineers still live, then the story of Bligh and his epic getaway.

As usual the supper at the Vine will start at 6:30. After which, Mr. Miles and the usual round-table discussion with time for questions and answers.

The "Friends of the Library" sponsoring the event wish to announce that there will be no extra charge and no solicitation for building funds.

—P.P.S.

## ICE SKATING REVUE AT FOOD SHOW

Seven-year-old Phyllis Thompson, former Pacific Coast and California juvenile figure skating champion, to be one of the stars of the extravaganza on ice at the Great Southwest Food and Home Appliance Exposition, October 28th through November 5th, in Los Angeles' Pan-Pacific Auditorium.

the Southern California Dahlia Society, and one of the best known authorities on dahlia culture...gave Sierra Madreans interested in growing the flowers...timely tips in an informative talk on "The Growing and Culture of Dahlias" at Wistaria Vine Gardens... One should be prepared to use plenty of water...the expert said...or small blooms which break easily at the blossom will result... Plenty of potash and room to expand, and an abundance of leaf mold which contains potash are all requisites for satisfactory results... For large blooms and best results cut the center stem back four eyes...so growth will not be retarded... Mr. Moote brought out the fact that everything but the root system can go back into the soil as mulch and fertilizer, to enrich the following year's growth... Although they like moist, foggy days... dahlias should be grown in full sun...

Included in the "Forty Years Ago" column of a Bridgeport, Conn. paper recently was an announcement of the marriage of the George P. Rikemans... The clipping was sent on to the Sierra Madreans.

Add zest to your skirt or blouse with one of our colorful stripe or plaid blouses—1.95 to 3.95

## What A Girl Sees Ramblin' 'Round

WOULD you say that the bottle of champagne Councilman Tom Schwartz smashed along the concrete rail in christening the new Grand View avenue bridge Saturday afternoon was "wasted"?... Whatever you may think we have it on the very best authority that there was a wide difference of opinion among the city's lawmakers on the subject...decided by "Pop" Froelich, donor of the bottle, who ruled that he had contributed it "solely and only for the purpose of a christening and not for the encouragement of an appetite that Sierra Madre councilmen cannot afford"... Assemblyman Knight agreed this was good logic...that expensive habits are easily acquired and hard to get rid of...so "Pop" had his way... (It was a "split" half-pint... by the way)... Evidently Schwartz didn't want to "waste" it all for most of it flew back into his shoes... only the green glass dropping into the splendid new... high walled... channel under the bridge, that should give Sierra Madreans a renewed sense of security during storms... especially like the one of March '38 that was really so unusual as to have the whole Southland gasping... Looking around through the crowd at the bridge opening it struck us that Carl Hansen, local Ford distributor... must be a pretty valuable asset to his company... Though new Fords went on the market only last week we saw three sparkling new ones as we strolled by... including the one that Assemblyman and Mrs. Knight rode in... Now... at the expense of a NEWS reader who paid plenty for consultation with a nationally known specialist... we know how to take our garlic... in capsules... Being a firm believer in the idea that beauty comes from within... is determined by the general health and state of mind and not by outward applications... we rejoice in the opinion of this noted authority... and because it agrees so thoroughly with our own belief we pass it on... "Stop calomining your face" said the authority... "instead wash it night and morning with warm water into which you have squeezed half a lemon... take internally, capsules of garlic oil mixed with powdered parsley, which you can get at a drug store... That will snap your blood pressure down"... Confiding friend says that though she was frantically conscious about it... there has been no comment from friends about the garlic... and blackheads that occasionally made their appearance... must have found those greener pastures that discarded or ambitious ministers talk about.

Reproduction of Volume 1, Number 1 of SANTA MONICA OUTLOOK, dated Wednesday, October 13, 1875... given to us by Miss Grace Mayhew of Mariposa avenue... contains amusing advertisements and news items... Sixty-four years ago L. T. Fisher, publisher, filled his front page with one column of ads and four columns of "What Others Say About Us"... "It is not yet one year since the city of Santa Monica was surveyed, and today there are over a hundred houses erected and inhabited, and every new day sees the foundation of some new home laid. For location, in a commercial way, it is without a rival, for it has an open sea and deep waters in front and behind it there is a country increasing daily in importance to the settler and to the immigrant seeking a new home..." That was what the ALTA CALIFORNIAN had to say about Santa Monica back in 1875... A news item contains the statement that "people in California are intelligent and liberal in their opinions... Schools are numerous and excellent. Few countries have more churches in proportion to the population. The laws are generally good, and the administration of justice is as strict as in any other American state."

F. D. R. Moote, president of

## BETTER DECIDE YOUR ANSWER BEFORE YOU VOTE ON 30-THURSDAY:

## ARE YOU WILLING TO PAY YOUR SHARE?

Count the cost, California voters—count it carefully—NOW—before your vote makes 30-Thursdays the law. For IF it becomes law YOU PAY from then on!

"I am Against It"

—says President Roosevelt

President Roosevelt warns against 30-Thursdays: "It would constitute a 25 per cent income tax which would fall far heavier on the poor than on the rich."

WORKING Californians would pay for every "dollar" warrant issued to the privileged class of Non-Workers established by this fantastic and Dictatorial plan.

Then (in addition) a new 3 per cent tax on gross income, or gross transactions tax, would be levied against every cash transaction. A vicious, pyramiding tax, applying to each turnover—all in addition to all present taxes. That means...

A NEW TAX ON FOOD  
A NEW TAX ON CLOTHES  
A NEW TAX ON BUSINESS  
A NEW TAX ON THE FARMER  
A NEW TAX ON THE CHURCH  
A NEW TAX ON YOUR PAYCHECK

It's all written in the Act. Don't be fooled—or careless. Count the cost to You! If 30-Thursdays passes, YOU PAY!

VOTE "NO" on NO 1.

Members of Florist Telegraph Delivery Association

As an expression of appreciation for her long and unremitting efforts in behalf of the Sierra Madre Woman's Club, a special invitation was extended this week by Mrs. J. H. Robertson to past president Mrs. Al S. Myers to act as hostess at the membership tea at the clubhouse next Wednesday afternoon. Women who have been asked by Mrs. Myers to assist are Meses. J. Anderson, Hall, Josephine E. Marr, Nell Vieira, Elizabeth Turner, K. J. Murdoch, J. S. Billheimer, E. E. Bacon, Robert Smith, A. M. Udell and Miss Beth Haver.

Mrs. J. C. Dickson is the charter member who will be the special guest of honor at this second meeting of the year.

Mrs. Robertson has requested that all women planning to join the club send in applications as soon as possible so that they may be guests next Wednesday afternoon at 2 o'clock.

An unusually fine musical program has been obtained by the program chairman, Miss Hazel James Ferguson, who will present Umberto Martucci, concert pianist,

and Edna Brady, dramatic soprano. Mr. Martucci has appeared throughout the United States and Italy and has received unstinted praise from critics. He has also appeared as accompanist for Mme. Frieda Hempel and Mme. Margaret Matzenauer and was musical director of the revival of the Mission Play which recently closed a successful run in Pasadena. Edna Brady has made many successful tours of the United States in concert and light opera and is now program chairman of the Schubert Club in Los Angeles. She will present "Songs of Today and Yesterday."

Mrs. W. J. Lawless, Garden and Legislation chairman, has called a meeting of the garden section for 1 o'clock and at 1:30 will present two speakers who will discuss the pro and con of the California State Retirement Pension Plan.

Mrs. Boyd Keith, Mrs. Jack Paschall, her daughter Marilyn, and niece, Janet McCrea, spent last Wednesday across the border shopping in Tia Juana.

## SPRING FEVER HITS GARDENS AS FRUIT TREES COME INTO BLOSSOM AGAIN

Peach and plum trees are blossoming, walnut trees are throwing out young shoots and all manner of strange and unusual things are reported in the gardens and orchards of Sierra Madre since summer made its second visit of the year.

A plum tree in the garden of Mrs. Clara Rood Akeley's home on East Alegria avenue has spring fever and surprised everyone in the neighborhood by bursting out with white blossoms—even new leaves. March is the month when plum trees ordinarily blossom in California.

It seems there is an explanation of these off season happenings set forth by E. R. Eggers, orchard supervisor at UCLA. He uses walnut trees as an example since several of the 30 trees in the university orchard are sending out tender new shoots. Mrs. Akeley's walnut tree is doing the same thing.

The combined effect of September's record heat, and the succeeding heavy rains did it, Mr. Eggers said. This unusual growth will cause a temporary set-back for the trees, like the effect of a cold upon a human being, Eggers says, and the young growth on the walnut trees will probably be killed later on when temperatures fall.

Peach trees are also blossoming out of season. And then there is a variety of roses in Mrs. Akeley's garden that was definitely supposed to be through blooming for the season. But the hot weather and rain must have penetrated its deep sleep and awakened it, for it came back to life long enough to bear two beautiful roses.

What off-season blooms or garden freaks have you observed, or heard of?

## A Call to Arms

Col. Theodore Roosevelt, Jr.

THE second annual appeal to the American people to help relieve the untold sufferings of the countless millions of Chinese non-combatants in the current invasion of China by Japanese armed forces, will be launched in the week of October 30 by the United Council for Civilian Relief in China, it was announced yesterday by Col. Theodore Roosevelt, Jr., Chairman of the Council. The United Council will again stage "Bowl of Rice" parties in some 2,000 communities throughout the United States in its drive for funds to provide food and medical care for the Chinese women and children refugees suffering not only from the horrors of war, but from ravages of famine and flood.

## LOCAL WOMEN ATTEND O.E.S. CONVENTION

Members of the Sierra Madre Chapter O.E.S., who have been in Long Beach this week for the 66th annual session of the Grand Chapter are Miss Muriel Tarr, Mrs. Ethel Henderson and Miss Cecil Sterling Price, present officers; Meses. Frances Brain, Edna Holland, C. H. Sandage and Mary Wammock, past matrons; and Sam Graham, past president, who although unable to attend most of the sessions, was present at the banquet and official ball Tuesday evening.

## DICK LEES TO RESUME BOY SCOUT WORK

Richard Lees, son of Building Inspector William Lees, long active in Boy Scout work, will assist Craig McLaughlin, scout master of Troop 1, Congregational Church, in the year's activities, and it is anticipated that the best year in Boy Scout history is in the offing. Just now scouts are making pack racks to carry their food, equipment, etc., on long trips in an efficient, uniform manner.

## Vacations Will Be Long Remembered

Vacations which will be long remembered were enjoyed this year by Miss Anna Schurman and her niece and brother, Miss Louise and George Schurman, who are back at their home, 50 Morton avenue.

Mr. Schurman returned to Germany to visit relatives for the first time in 40 years, and was accompanied by Miss Louise Schurman. While they were away Miss Anna Schurman enjoyed a three months tour of the states with Mr. and Mrs. Jose Drudis. Upon leaving here they went first to San Francisco for the Exposition, then up the coast into Oregon and Washington and from there to Glacier National Park where Mr. Durdis spent three weeks painting. From Montana the party went to Rushmore, S. D., and then to New York City, where they spent several days at the Fair and met Miss Louise and Mr. Schurman upon their return on the Bremen. While in the east they visited Victor Cherbak at Annapolis and Alfred Cherbak at West Point, brothers from Alta Loma, who are tarried with their first year at the academies.

Miss Jessie Somerville, of Long Beach, is houseguest this week of Mrs. Everett Hinojos of 249 Grove street.

## Clipper Chapeau

Miss Jane Alden

Jane Alden, stylist, designed a hat especially for a clipper ship trip to London and wore it when she went aboard in New York Monday. All bedecked with a bird mounted on black velvet she called it a "take off hat."

## FIRE FLAMES

Boys will be boys and when a letter bearing the name of a Monterey hotel, with a claim for property damage to their hotel was read, the fellows at Friday's meeting nearly had a fit. Only a very few who were "on the know" could set back and snicker to themselves. The letter was a fake and composed by our illustrious secretary, "Pop" Froehlich, being one of the "knows," must have had a good snicker when he was asked to count the secret ballots to determine whether the department would pay for the alleged damage. "Pop's" count showed 17 in favor of paying, but on checking up on his count, it was found to be just the opposite. No one was hurt and no damage was done and everybody had a good laugh at the end.

Vacations are about over. This is a relief to the rangers. A constant watch is necessary to prevent fires in the mountains as well as in the city. "Pat" Harlan, our local Ranger, shows the strain of the long continuous dry spell we have had this summer. He realizes the danger. Let's keep the Fires Out.

Fortunately a recent fire was a minor one. Some question arises as to whether the trucks should be called out for an automobile fire. This is a matter of opinion. When a fire starts no one is able to tell what will happen. The first few minutes at a fire are the most important. Fire calls are emergency calls and it is better to be sure than sorry. The trucks should be at every fire, whether it be an automobile or a garage. Time is lost if an investigation car is sent out.

Misses Elizabeth and Adele Doty of Mariposa avenue have returned from the Golden Gate Exposition and while in San Francisco were Palace Hotel guests.

## Beauty Shop Bought by Michigan Woman

Mrs. Ellen LaLone, owner of Ellen's Beauty Shop, announced this week that she had sold her shop to Mrs. Mary Haskell of Michigan, now living in Alhambra. About a year ago Mrs. LaLone leased her shop to Mrs. Ruth Cullum who will continue in charge for the present.

## 'Round the town—

Rosita Mae Howland, 16 year old daughter of Dr. Adele Howland, 225 North Lima street, was guest organist at Calvary Baptist church in Pasadena Sunday.

Mrs. Nellie Tremelo and two daughters, of New Mexico, and Mr. Rolf, Kansas City, Mo., interior decorator, are guests at the Howland Health Home on Lima street.

Mr. and Mrs. Harry Burton of Salt Lake, sister and brother-in-law of Mrs. Frank Lovell, are here for a week's visit at the Lovell home, 235 Wilson avenue.

Commander and Mrs. C. E. Rappolee, 491 West Montecito avenue, have returned from an eight weeks vacation trip to Indiana where they visited relatives of Mrs. Rappolee's and later went on to Kentucky to visit Mr. Rappolee's family. Enroute east they enjoyed a stop over at the Grand Canyon and returning home spent a few days in New Orleans.

Mrs. Daniel Taylor, who recently arrived from Minnesota, will make her home this winter with Mr. and Mrs. Leland Fogg, 409 West Orange Grove avenue.

Mrs. C. T. Dike of Evanston, Ill., is visiting at the home of Mrs. Flora M. Farman, 32 East Highland avenue.

Mrs. Dixie Gomes, former operator of a woman's shop here, visited in town Monday.

Frank Hore, of Staten Island, N.Y., an old friend of the family of Mrs. Daniel Lewis, has taken up residence at the Sierra Madre Hotel where he will remain for the winter.

Mr. and Mrs. Robert Frohart and Mary Ellen Frohart, of Los Angeles; Mr. and Mrs. Earl McConnell of Beverly Hills; George McConnell and Mrs. Mary Frohart were Sunday dinner guests of Mrs. K. O. McConnell at Wistaria Vine Gardens.

Mrs. Nora Miller of Atlanta, Ga., is a guest at the East Alegria avenue home of Mrs. Clara Rood Akeley.

Mr. and Mrs. Robert Young, 110 East Mira Monte avenue, had as their weekend guests for an outing at Barton Flats, Mr. and Mrs. Hugh Anderson of Pasadena.

Mrs. R. S. Hayden, of Huntington Park, enjoyed the weekend and a few days this week with her sister, Mrs. C. L. T. Herbert, 223 North Mt. Trail.

C. W. Jones who has been ill at his home, 49 East Alegria avenue, for the last two weeks, is making progress toward recovery and is now able to receive friends.

Dr. and Mrs. Phillip Murdoch, of Long Beach, were Sunday guests of Mr. and Mrs. J. S. Billheimer, 37 Suffolk avenue.

Mrs. A. E. Hamilton, of Manhattan Beach, spent the weekend

with Mr. and Mrs. E. P. Cox and family of 169 East Laurel avenue.

Mr. and Mrs. W. B. Durham, 60 South Michilliinda, spent the weekend with friends in Bakersfield.

Miss Hazel James Ferguson and Mrs. R. A. Verstreet of 75 North Baldwin avenue, and Wells Campbell, of Long Beach, attended the Children's Horse Show at the Riviera Country Club Sunday, pronouncing it an outstanding event.

Mr. and Mrs. M. T. Gardiner, who returned to their "Upside" estate recently from a vacation in San Francisco, have as their houseguest Miss Rosemary Osterlander, of Seattle.

Mr. and Mrs. Marion L. Hays,

248 San Gabriel court, spent Sunday in Redlands with Mr. and Mrs. Kenneth Pickett.

Mr. and Mrs. Art Evans and sons Edwin and Preston were weekend houseguests of Mr. and Mrs. William J. Adwell, 193 West Sierra Madre blvd.

A. A. Sherman, of Bellflower, father of Mrs. Warren O. Preston, was a guest Sunday at the Preston home, 448 East Montecito avenue.

Mr. and Mrs. Floyd Johnson and daughter Marilyn, left Tuesday for their home in Portland, Ore., after visiting a week with Mr. and Mrs. Gerald Smith, 115 East Laurel avenue. Mrs. Johnson is the sister of Mrs. Smith.

Mrs. Alexander Lamont, of Ontario, Canada, mother of Mrs. J. D. McAndrew of 311 Auburn avenue, arrived Sunday to spend the winter here at the McAndrew home. She was accompanied by her son Donald Lamont, who remained only for a short visit.

Mrs. Cora Panner, of Yucaipa, is enjoying an extended visit with her daughter, Mrs. Lewis McClelland, of 503 Manzanita avenue.

Mrs. Daisy Brown, of Chicago, arrived Sunday to spend several days with her cousins, Mr. and Mrs. A. E. O'Banion, 337 Camillo street. Last week Mrs. O'Banion enjoyed a two-day visit with her sister, Mrs. W. T. Syester, at her home in Orange.

Miss May Pridham, 139 South Baldwin avenue, enjoyed the weekend at the family cabin at Camp Angeles.

Mr. and Mrs. James Heasley and son Happy returned Sunday from a week's vacation during which they visited Mr. and Mrs. Harvey Henry, at Coalinga, spent two days at the Exposition at San Francisco and returned via General Grant and Sequoia National parks. This week Mrs. Heasley has been spending a few days with Mrs. Ben Kopp, who is ill at her home in Azusa.

#### PUBLIC NOTICE

##### Ordinance No. 397

AN ORDINANCE OF THE CITY COUNCIL OF THE CITY OF SIERRA MADRE REPEALING SECTION 5 OF ORDINANCE NO. 392 AND AMENDING SECTION 17 OF ORDINANCE NO. 316 OF SAID CITY OF SIERRA MADRE.

THE CITY COUNCIL OF THE CITY OF SIERRA MADRE DO ORDAIN AS FOLLOWS:

SECTION 1: That Section 5 of Ordinance No. 392 of the City

of Sierra Madre, entitled: "An Ordinance of the City Council of the City of Sierra Madre amending Ordinance No. 316 of said City by adding thereto a new Section to be numbered and designated as Section 14, and also amending Sections 14, 15, 16, 17 and 26 thereof," adopted March 14, 1939, be and the same is hereby repealed.

SECTION 2: That Section 17 of Ordinance No. 316 of said City of Sierra Madre, entitled: "An Ordinance of the Board of Trustees of the City of Sierra Madre providing for fire protection and regulating the use of fire in said City, fixing a penalty for the violation thereof, and repealing Ordinance No. 238 and Sections 7 to 17 inclusive of Ordinance No. 200, and all other Ordinances of said City in conflict therewith," adopted September 15, 1927, be and the same is hereby amended to read as follows:

SECTION 17: That it shall be the duty of every householder and of every person, firm or corporation owning property used for residential purposes within said City of Sierra Madre, to install and maintain an incinerator constructed of fireproof materials for the use of each family or household for burning brush, trash, papers and other waste combustible materials other than garbage.

Such incinerator must be situated at least ten feet from any dwelling or structure or combustible materials of any kind and not less than twenty-five feet from any dwelling house. Such incinerator shall at all times be kept and maintained free and clear of all weeds, grass, brush, papers and other combustible materials for a distance of not less than six feet therefrom.

Such incinerator must be constructed and covered with a heavy wire mesh, which mesh shall not exceed one-quarter inch in size, or such other device as to prevent sparks or any burning materials escaping therefrom.

Such incinerator shall at all times be subject to the inspection and approval of the Fire Marshal as to its construction, state of repair, location or operation. If such incinerator shall upon any inspection thereof by said Fire Marshal, in his opinion be in a defective or dangerous condition for use, said Fire Marshal shall thereupon in writing notify the person, firm or corporation owning such incinerator of such defective or dangerous condition, which notice shall also specify the particulars in which same has been condemned by said Fire Marshal and such person, firm or corporation must within fifteen days from the receipt of such notice, repair said incinerator as specified by said notice of said Fire Marshal, or else remove or dismantle same.

Said Fire Marshal upon finding any such incinerator in such defective or dangerous condition for use, shall also notify the person, firm or corporation occupying any premises upon which said incinerator is situated of such defective or dangerous condition of such incinerator, which notice shall also specify that said Fire Marshal has condemned such incinerator for use whereupon it shall be unlawful for any person, firm or corporation to use such incinerator or permit the same to be used until all required changes in the construction, location or operation thereof have been made or until same has been repaired as specified in such written notice of said Fire Marshal.

SECTION 3: That any person, firm or corporation violating any of the provisions of this Ordinance shall be deemed guilty of a misdemeanor and upon conviction thereof shall be punished by a fine of not more than \$300.00 or by imprisonment in the City Jail of said City of Sierra Madre or in the County Jail of the County of Los Angeles, State of California, at the discretion of the Committing Magistrate, for a period of not more than three months or by both such fine and imprisonment.

SECTION 4: The City Clerk shall certify to the adoption of this Ordinance and shall cause the same to be published once in the Sierra Madre News, a weekly newspaper published and circulated in said City of Sierra Madre and thirty days from and after the final adoption thereof the same shall take effect and be in force.

The foregoing Ordinance was adopted at a regular meeting of the City Council of the City of Sierra Madre held on the 10th day of October, 1939, by the affirmative vote of at least three Councilmen, to-wit:

AYES: Councilmen Carter, Froehlich, Schwartz, Schiltz.

ABSENT: Councilman Miller.

NOES: None.

and signed and approved this 10th day of October, 1939.

W. J. SCHILTZ Mayor

ATTEST: WAVERLY E. PRATT City Clerk

## MONKEY-FACED OWL PUZZLES RESIDENTS; POSSUM AND SNAKE DISTURB OTHERS

Folks living close to the mountain and up the canyon were made unhappy these past nights by what sounded exactly like a terrier's cries of distress. The mystery and emotion were merely deepened when various humanitarians organized a search because then the cries would stop—just as a terrier might stop his cries to listen on hearing strangers approach. And the brush is mighty rigorous up there, the rocks no joke. Chances enough for any man to break his neck—or get skinned up at any rate. So they called our local Thoreau, Fred LaLone. You know Fred, naturalist, mountaineer. And does Fred know our mountains! Well, Fred went up and all over those wild slopes the other night. And he doesn't believe that it was a terrier at all those good people heard, but a monkey-faced owl.

We were sitting on our front porch the other morning reading the SIERRA MADRE NEWS when we heard a rather heavy thud against the screen. We

looked up just in time to see that it was a humming-bird who'd hurled her little body against the screen like that—one of a pair who live nearby and often perch on our telephone wire. You'd have thought the little thing would have been knocked dead—or senseless. But quick as light she flashed away. Then we saw something else. There, close to where the first bird had struck was a second humming-bird, held captive, his beak thrust tight through the mesh of the screen. How long he had been held like that there

was no telling, nor what other efforts his mate might have made to set him free. Anyway, with a lurch, we touched the tip of the prisoner's beak—just the slightest pressure—and he was free. Not hurt either—gone like his mate. But shaken just a little maybe, same as we. —P. P. S.

A Morton avenue resident telephoned that his dog had treed some kind of an animal Monday. When officers arrived they found the animal was a possum and had already been killed with a club.

A frightened lady on East Alegria avenue phoned that a large snake was slithering around her yard. Police disposed of the serpent—a gopher snake.

### ECONOMICAL-CONVENIENT

With colorful, falling leaves, cooler weather and footfall in the air—then you'll enjoy more than ever the comfort, convenience and economy of carefree travel by Pacific Electric trains and Motor Transit coaches. Whether you're enroute to work, on a business trip, off to the big game, going shopping or just on a pleasure trip... then save time and money by going via electric train or motor coach!

Your local agent will gladly furnish complete information regarding fares, commutation rates, etc., to any point in Southern California.

## Navy Band Comes To L.A. For Concerts

For the first time in many years the United States Navy Band of Washington, D.C., is coming to Los Angeles.

Conceded to be the top-ranking organization of its kind in the world, the band represents the entire naval forces of the country. Two concerts will be given at the Shrine Auditorium, in Los Angeles, next Thursday, which appropriately is the day before Navy Day. A special matinee will be given for students and school children at 3:00 p.m. at nominal admission prices. The evening concert at 8:30 p.m. will be one of the brilliant musical affairs of the past several years.

Proceeds of both concerts will be divided equally between the Navy Relief Society and the welfare branch of Los Angeles County American Legion. Guests of honor will include officers of the Battle Force of the fleet at San Pedro.

## ASTRONOMER TO TALK AT PARISH HOUSE

Dr. Theodore Dunham, Jr., of 595 Elm street, a member of the staff of the Mt. Wilson Observatory, will give an illustrated lecture Friday evening, November 3 at the parish house of the Church of the Ascension under the auspices of the Woman's Guild. Dr. Dunham, a research associate of Oxford University, journeyed to Oxford this year for the two-month spring term. He promises an interesting talk on astronomy. Preceding the lecture the Woman's Guild will serve dessert and coffee.

## Generous Response To Church Call For A Get-Together

A crowd greatly exceeding expectations gathered at the Congregational church Wednesday for a get-together cafeteria supper and program. A delicious meal was served by the Woman's Society, following which a program of splendid entertainment was given, featuring a community sing led by Walter Reed, with Mrs. George Morgridge at the piano.

Two plays directed by Mrs. Waverly E. Pratt, "Three's a Crowd," and "The Heart of a Dream," and solos by Mr. Reed comprised the program.

Greetings were brought by Rev. A. O. Pritchard, and All Miller, chairman of the board of directors, spoke on plans for the fall, with "Loyalty Sunday," to be observed on November 12.

## Sierra Madre Woman Tries Her Hand At Old Spinning Wheel

A ball of gray yarn spun on the hundred-year old spinning wheel of her mother in Bigbee county, Nova Scotia, is a souvenir Dr. Maria A. Everett of 153 Santa Anita Court brought home from her three and one-half months trip across the continent to her birthplace.

Early in the summer Dr. Everett visited a college classmate, Dr. Iantha Jane Whetmore, and her daughter, Dr. Georgia Steffens, in Chicago, and at their summer home in Stann Lake, Mich. She went on to Detroit, then to Niagara Falls, where she was a guest of her cousin, Rex McDonald, who has visited the Sierra Madrean enjoyed visits with her brothers, Charles R. and William Everett, before going to Nova Scotia, her birthplace.

## Minister Likens Wealth To A Magnet

Philosophy of religion was the topic of Rev. Wesley Nicholson's talk before Tuesday's Kiwanis club meeting and luncheon. Assistant pastor of the Congregational Church in Pasadena. He likened wealth to a magnet, attracting friends during prosperous times, only to be dropped when misfortune hits the individual.

Familiar faces were welcomed at the meeting after a week's absence. William Burr, Dr. R. C. Simpson, Rudolph Hartman and Charles Klunk returned to the city after attending the Kiwanis International convention in Oakland.

## Interesting Year Ahead For Camp Fire Girls; Junior College Misses Needed To Help

With a definite program and a membership of 62, and interest in its activities running high, the Camp Fire Girls of Sierra Madre this week have started on a year's program of service under a program of instruction by Miss Eva Hancock, executive secretary of the Pasadena Council of Campfire girls.

Mrs. Elmer Weese will be guardian this year of the Asaki group which meets at 3:30 Monday afternoons in the library at the school. The group under the guardianship of Mrs. Lucy Young will meet in the home economics room, at 3 p.m. Mondays. Mrs. L. S. Pierson's group will also meet at 3 o'clock each Monday, in the Kindergarten Room. Magnolia Blue Birds will meet each Monday afternoon at the home of their guardian, Mrs. Theodore Dunham, Jr., 595 Elm street.

## Beautiful Hanson Estate Is Sold

The beautiful, spacious Spanish home built by Ole Hansen, Jr., at Orange Grove and Michillinda avenues, has been sold to Dr. L. M. Hurt, Los Angeles County veterinarian. The Orange Grove avenue showplace is now occupied by the newcomers.

## Providing Homes Becomes A Hobby

M. D. Churchill is realizing a life's ambition just across Sierra Madre's border at the Santa Anita Vista subdivision of the company of which he is the president. His headquarters are on a part of the old "Lucky" Baldwin Santa Anita rancho and Mr. Churchill is happy over his success in being able to encourage home ownership among people of young incomes.

"Nothing compares with ownership on a happy journey through life," Mr. Churchill told a NEWS reporter in explaining what has become a hobby with him and the joy he is getting out of his work in Arcadia.

## "TOM" SOLURY STILL IN CRITICAL CONDITION

Thomas Solury, who has been seriously ill at St. Luke's Hospital for about two weeks, is reported as still in a very grave condition.

## Answers

(Questions on Page 1)

- 1—Elizabeth, known as the virgin queen of England.
- 2—Madame Marie Skladowski Curie and her husband discovered radium.
- 3—Shakespeare is noted for his tragedies. He wrote four great ones—Macbeth, Hamlet, Romeo and Juliet, and King Lear.
- 4—Lou Gehrig, who completed more than 2,000 consecutive games before the end of the 1935 season.
- 5—To prevent rice from sticking to the pan, grease the pan before adding the rice.
- 6—The Carlsbad caverns are located in New Mexico.
- 7—Cole Porter, who had both legs broken in an automobile accident while writing the music for a Broadway musical. He completed the musical and then attended it the night it opened.
- 8—John N. Garner is the president of the senate at the present time. The vice president of the United States always holds this office.
- 9—Automobile is derived from the Greek word auto, meaning self, and from the Latin mobilis, meaning to move. The word means a self-moving vehicle.
- 10—The difference between a dance and a ball is that the invitations to a ball usually include more older than young people, while the invitations to a dance rarely include any old people.

## MISS KIMBER OPENS NEW CHILDREN'S SHOP

Miss Charlotte Kimber, former county social service worker, has opened an infants' and children's apparel shop in Arcadia at 24 Huntington Drive. The attractive shop will be known as "Charlottes."

## YOUR HOME AND MINE

BY ANNE WILSON

Here is a simple way to enhance the attractiveness of your living room. Use light as a source of added beauty for beautiful things at night.

A lovely bouquet of flowers receiving added charm from the soft light of a lamp is an example of this partnership of light and beauty. Place a bowl of beautiful blossoms on an end table beside an easy chair, with a floor lamp casting a glow upon them. Or use the same arrangement on a larger table with a table lamp. Your room will "come to life" with these accents of light.

For a very special occasion, a small inexpensive spot light may be used to create this floral illumination dramatically.

Another interesting experiment places a lamp below a picture in such a position that the upward light illuminates the color and design of the picture. This idea, which practically doubles the effectiveness of the painting at night, may be achieved by use of either a floor or table lamp with a shade that is open at the top. In a picture whose light is indicated by shadows as coming from one side, the added light of the lamp should be directed from that side also. A minor rearrangement of furnishings may permit a lamp now used for reading purposes only to be used for picture lighting as well.

## NEW ORGAN ENROUTE TO CHURCH HERE

Shipped across the country from Hartford, Conn., via the Santa Fe, the new Austin organ purchased by the Congregational Church, is due to arrive in Sierra Madre next Friday, October 27. The organ is traveling with another organ going to the Mormon Church of San Francisco.

Faculty of the Sierra Madre grammar school enjoyed a picnic steak supper at Arcadia county park Wednesday evening.

## LATEST NEWCOMERS

F. D. McDonnell, 26 South Baldwin avenue; Mrs. E. Niehoff, 28 North Hermosa avenue; William H. Neff, 143 Esperanza avenue; F. A. Parker, 397 North Baldwin avenue, are among the latest newcomers to Sierra Madre. Marino Osti has returned to the city to make his home at 100 Suffolk avenue.

## "My Skin Was Full Of Pimples And Blemishes"

says Verna S.: "Since using Adlerika the pimples are gone. My skin is smooth and glows with health." Adlerika helps wash BOTH bowels, and relieves temporary constipation that often aggravates bad complexion. Sold at all Drug Stores. —adv.

## Daugherty's Relish, Horseradish Peanut Butter

Sold at ALL GROCERY STORES

"WHERE SHALL I HAVE THIS FILLED, DOCTOR?"

YOU hold in your hand a bit of paper—your Doctor's prescription. It represents his experienced counsel and recommendation for your well-being. Naturally, in the compounding of that prescription you want skilled professional service. You want it filled just as your Doctor directs, without substitution or alteration; you want only fresh, potent drugs. And, finally, you want to pay only a fair price.

On this basis, we invite your prescription business. Ask your Doctor about us.

## HUPFELD ACQUIRES BROWN'S PAINT STORE

E. A. Hupfeld of 900 Sturtevant Drive, the old Corum ranch, is the most recent addition to the city's businessmen, having taken over Brown's Paint Store on West Sierra Madre Blvd. on Wednesday. Mr. Hupfeld has lived in Sierra Madre for about a year, coming here from Altadena, and although this is his first venture in the paint business, he is confident Sierra Madre offers splendid opportunities. He will continue with the Sherman-Williams line of paints.

## YOUNG SIERRA MADRE ARTIST HITS AGAIN

Again achieving honors in the field of art, Bernard Wynne, young Sierra Madre artist, was awarded first prize for photography in the amateur contest recently conducted by Camera Craft and Sierra Madreans will find his photography which is a landscape entitled "Dusk" in the November issue of the magazine by that name. Of additional interest is the fact that the picture is the first young Wynne has ever submitted in a photographic contest.
